

SILENCE IS DEFEAT (SD) TERMS OF SERVICE  
<http://silenceisdefeat.com/tos>

By accessing any system or service owned or provided by Silence is Defeat, you certify that you are doing so legally, against no legal terms expressed against you. You acknowledge that Silence is Defeat may monitor any activity or communication on the system and retrieve any information stored within the system. By accessing Silence is Defeat systems, you are consenting to such monitoring and information retrieval for law enforcement and other purposes. Users should have no expectation of privacy to any communication on or information stored within the systems, including information stored locally on the hard drive or other media in use with this unit. Additionally, by accessing our systems, you certify that you understand and agree to the following:

- SD servers and services are to be used for educational purposes only with exceptions for commercial use made by written consent.
- Making any attempt to gain unauthorized access to SD servers or to remote hosts by using SD servers is strictly prohibited
- Participating in activities including but not limited to spamming, port flooding, network scanning, distributing copyrighted works or using SD systems for any other type of illegal activity is strictly prohibited.
- You are liable for any activities performed by anyone under your SD account; you will do the best you can to keep your login information confidential and practice good security habits. Good security habits include but are not limited to: using complex passwords, changing passwords periodically, and never giving out passwords.

Violators of any of the terms expressed above will have their account immediately terminated from SD, and in the event that illegal activities have occurred, law enforcement authorities will be contacted and provided with any information felt to be useful in a thorough and complete investigation.  
I have reviewed and agree to abide by the terms stated above.
